

Dear SES Families,

We hope this letter finds you and your family well. This year SES is organizing school supplies so each student has an individualized gallon-ziploc bag with supplies that will travel with them throughout the school day. In addition to the items we are supplying, we are asking that each day, your child will bring the following items from home to school:

- **A disposable or cloth mask** that covers their nose and mouth. (SES will maintain a supply of disposable mask coverings for students who forget to bring their own).
- **A backpack, reusable water bottle, lunchbox and individual hand sanitizer (If you can find this in stores!)** Please include your child's first and last name on each of these items.
- **A change of clothing/ baby wipes** (For Pre-K/Kindergarten kiddos who have an accident)
- This year, your child will be using either an iPad (K-3) or a Chromebook (Gr.4-5), as an instructional tool. Each student must bring in a **set of headphones** that are compatible with their school-issued device.

Here are some optional donation items you may purchase for classrooms:

- Gallon Ziploc Bags (Slider Type)
- Tissues
- Hand Sanitizer (liquid or spray)
- Antibacterial Soap
- Clorox/Lysol Disinfectant Wipes
- Paper Towels
- Disposable Drinking Cups

We are striving to create a safe learning environment for all. Therefore, we are asking that families adhere to the school supplies as listed above so as to minimize items that travel to and from school daily.

Your Partners in Education,
Melissa Mucci & Michael McDonnell
